

托福写作常见开头模板：强调轰动性式

“强调轰动性式”

“强调轰动性”的表达

There has been a heated discussion about...

There have been heated dispute and debate about...

There has been much talk recently about ... on TVs and Radios and in newspapers.

It is universally acknowledged that...

There is no denying the fact that ... is a heated topic today.

(1) Parents focus intensely on the factors that affect their children's achievement in school. A positive studying environment filled with good students is considered essential.

(2) It is universally acknowledged that Internet has changed our life swiftly and fundamentally. It has flooded us with such a sudden that we hardly have time to get over the fact. Besides, we have been so dependent on this new instrument ever since its first appearance that modern life is almost unthinkable without the Internet.
