

托福写作常见开头模板：主题首句式

“主题首句式”——下定义 (Definition)

主题首句的表达

Patience is one of the virtues that are bestowed on men.

As we can see from the table...

From the two charts, we can see...

As is shown / indicated / demonstrated / betrayed in the charts above...

(1) Responsibility is the embodiment of morality, which demands that people do certain for the other people or the country, not thinking of reward. One person should be accountable to his parents or his own family after having arrived at manhood. An employee shouldn't neglect his duty what may come.

(2) According to *The New Oxford Dictionary of English*, frustration, by definition, means the feeling of being upset or annoyed, especially because of inability to achieve something.

(3) Good manners mean being polite, respectful, thoughtful and helpful. (形容词叠加)

(4) Friendship is one of the greatest pleasures that people can enjoy. It implies loyalty, cordiality, sympathy affection and readiness to help.

(Similar topics: frustrations, exams, failure, pressure, tension, depression, disillusionment, disappointment, unemployment, illness, wars etc)
