Policy on the Usage of Printing Paper

The college computer lab has decided to charge students for printing fee when students print ten or more than ten copies at one time. Considering the limited paper resources and printing ink, proper charges can raise the students' awareness of saving paper. Also, the printer often breaks down after frequent usage and a new printer is badly needed. The printing fee can also cover part of the expenditure on the new printer, the paper and the ink. The fee will be 5 cents for every page and it is a reasonable price if not wasting any pages.

Now listen to a conversation between two students.

The woman expresses her opinion towards the university's decision of charging printing fee. State her opinion and explain the reasons she gives for holding that opinion.
