I want to thank my partner in this journey, a man who campaigned from his heart and spoke for the men and women he grew up with on the streets of Scranton, and rode with on the train home to Delaware, the vice president-elect of the United States, Joe Biden. (Cheers, applause.)

描述某特定人或者人群的具体例子

I was never the likeliest candidate for this office. We didn't start with much money or many endorsements. Our campaign was not hatched in the halls of Washington; it began in the backyards of Des Moines and the living rooms of Concord and the front porches of Charleston. It was built by working men and women who dug into what little savings they had to give \$5 and \$10 and \$20 to the cause. (Cheers, applause.) It grew strength from the young people who rejected the myth of their generation's apathy — (cheers) — who left their homes and their families for jobs that offered little pay and less sleep. It drew strength from the not-so-young people who braved the bitter cold and scorching heat to knock on the doors of perfect strangers, and from the millions of Americans who volunteered and organized, and proved that more than two centuries later a government of the people, by the people and for the people has not perished from the Earth. This is your victory. (Cheers, applause.)

具体例子

以上的三个例子，一定要单独使用，千万不要放在一段之内使用。

Now, I know you didn't do this just to win an election, and I know you didn't do it for me. You did it because you understand the enormity of the task that lies ahead. For even as we celebrate tonight, we know the challenges that tomorrow will bring are the greatest of our lifetime: two wars, a planet in peril, the worst financial crisis in a century. Even as we stand here tonight, we know there are brave Americans waking up in the deserts of Iraq and the mountains of Afghanistan to risk their lives for us. There are mothers and fathers who will lie awake after their children fall asleep and wonder how they'll make the mortgage or pay their doctors' bills or save enough for their child's college education.

For even as all reasons listed, we know the challenges that opponents will bring are the greatest of our front.

最后一段开头

There's new energy to harness, new jobs to be created, new schools to build, and threats to meet, alliances to repair.

If XXXXX, there's new energy to harness, new jobs to be created, new schools to build, and threats to meet, alliances to repair.

用于新建 XXXXX 将为我们带来的好处。

MR. OBAMA: There will be setbacks and false starts. There are many who won't agree with every decision or policy I make as president, and we know the government can't solve every problem. But I will always be honest with you about the challenges we face. I will listen to you, especially when we disagree. And above all, I will ask you to join in the work of remaking this nation the only way it's been done in America for 221 years — block by block, brick by brick, calloused hand by calloused hand.

There will be setbacks and defect. There are many who won't agree with every decision in this essay, and, of course, the XXXXX (某人) can't solve every problem. But XXXXX (某人) will always be honest with you about the challenges you face.

结尾段的开头

美国总统奥巴马制造的作文模板（2011年4月最新款）

原文：What we've been debating here in Washington over the last few weeks will affect the lives of the students here and families all across America in potentially profound ways. This debate over budgets and deficits is about more than just numbers on a page; it's about more than just cutting and spending. It's about the kind of future that we want. It's about the kind of country that we believe in. And that's what I want to spend some time talking about today.

2012 年最新版美国总统奥巴马制造的作文模板

Think about the America within our reach: a country that leads the world in educating its people; an America that attracts a new generation of high-tech manufacturing and high-paying jobs; a future where we're in control of our own energy; and our security and prosperity aren't so tied to unstable parts of the world.

Think about the XXXXX within our reach: XXXXX that leads the world in XXXXX; XXXXX that attracts a new generation of XXXXX; a future where we're in control of our own XXXXX; and XXXXX.

比如说这句：

Education was the gateway of opportunity for me.

XXXXX was the gateway of opportunity for XXXXX (Somebody) .

强调 XXX 对于 XXX 发展的必要性

这里第一个 XXXXX 需要填写的就是本文所强调的主题，该用一个名词，比如说 leadership，它的词性显然跟原剧中的 education 一样都是名词。第二个 XXXXXX 在括号中已经进行提示，该填写一个人，比如说 Bill Gate, the CEO of the enterprise Microsoft.

好了，话不多说，主菜！上！

So in the coming days and weeks, I hope that Republicans will come forward and demonstrate that they're really as serious about the deficits and debt as they claim to be. So in the coming XXX (时间) , I hope that XXXXX (somebody) will come forward and demonstrate that they're really as serious about the XXXXX as XXXXX (somebody) claim to be. 本句可以用于提出自己的观点，也可以在举例中表示对某人的希望

We believe in an XXXXX (本文主题所处的范围，如果主题讨论是否该养鱼，那么范围就是我们这个社区) where no matter who you are, or what you look like, or where you come from, or who you love, you can make it if you try.

This is not something where XXXXX (somebody) are going to be studying the issue for six months and publishing a report that gets read and then pushed aside. This is a team that has a very specific task, to pull together real reforms to XXX (文章或者本段主题) right now.

本句话一定只能用于很严肃的主题，这两句话说的是这件事不是说说而已，而是一定要做，而且要落到实处。

And we continue to stand behind innovators and entrepreneurs who will unleash the next wave of clean energy technologies and drive long-term economic growth.

And XXXXXXX continue to stand behind innovators and XXXXXXX (某人) who will unleash the next wave of clean XXXXX and drive long-term economic growth.
