SAT[®]

Using Your Question-and-Answer Service (QAS) Report

This booklet contains the SAT® you took in May 2012, starting with all the essay prompts given in May, including the one you answered. It also includes scoring information. If the SAT you took included an unscored “equating” section, this booklet will not include that section.

Reviewing Your SAT Results

To make the best use of your personalized QAS report, we suggest that you:

- Read each question in the booklet, then check the report for the type of question, the correct answer, how you answered it and the difficulty level.
- Analyze test questions you answered incorrectly to understand why your answer was incorrect. Check to see whether you might have misread the question or mismarked the answer.
- Keep track of how you did on the different types of questions (as labeled on your QAS report), either by using the table below or by printing your online score report at sat.collegeboard.org/scores. This can help you understand your academic strengths and identify areas for improvement.

Section	Type of Question	Number Correct	Number Incorrect	Number Omitted
Critical Reading	C Sentence completion

Reviewing Your Essay

View a copy of your essay online at www.collegeboard.org/viewessay. On the practice sheets in the back of this booklet, you can try writing your essay again or practice writing an essay for one of the other prompts in this booklet.

Scoring Your Test

Use the Scoring Worksheet, SAT Essay Scoring Guide and score conversion tables at the back of this booklet to verify the score on your test. Use the Form Code shown at the top of your personalized QAS report to locate your particular score conversion tables. The Scoring Worksheet and score conversion tables are specific to the test you took. Do not try to score any other tests using them.

Practicing to Take the SAT Again

If you decide to take the SAT again, your QAS results will help you identify the specific areas and types of questions to focus on for additional practice. Free practice resources are available on sat.collegeboard.org/practice including a practice test, additional practice questions, and a helpful tool called SAT Skills Insight™. SAT Skills Insight will show you the types of skills tested on the SAT and suggestions to help you improve your skills for next time.

Now that you're familiar with the test, you're more prepared for the kinds of questions on the SAT. You're also likely to be more comfortable with the test-taking process, including the time limits. On average, students who take the SAT a second time increase their combined critical reading, mathematics and writing scores by about 40 points.

ESSAY

Time — 25 minutes

The essay gives you an opportunity to show how effectively you can develop and express ideas. You should, therefore, take care to develop your point of view, present your ideas logically and clearly, and use language precisely.

Your essay must be written on the lines provided on your answer sheet—you will receive no other paper on which to write. You will have enough space if you write on every line, avoid wide margins, and keep your handwriting to a reasonable size. Remember that people who are not familiar with your handwriting will read what you write. Try to write or print so that what you are writing is legible to those readers.

Important Reminders:

- **A pencil is required for the essay.** An essay written in ink will receive a score of zero.
- **Do not write your essay in your test book.** You will receive credit only for what you write on your answer sheet.
- **An off-topic essay will receive a score of zero.**
- **If your essay does not reflect your original and individual work, your test scores may be canceled.**

You have twenty-five minutes to write an essay on the topic assigned below.

Think carefully about the issue presented in the following excerpt and the assignment below.

People talk too much about their feelings. They share their deepest secrets and innermost thoughts on television talk shows. They write revealing autobiographies. They buy books that advise them to tell others about their feelings. We would be far better off if we followed the advice of Florence Nightingale, a pioneer in the field of nursing, who thought that people too often waste their feelings by talking about them and should instead turn their feelings into actions that bring results.

Assignment: Is it better for people to act on their feelings than to talk about them? Plan and write an essay in which you develop your point of view on this issue. Support your position with reasoning and examples taken from your reading, studies, experience, or observations.

**If you finish before time is called, you may check your work on this section only.
Do not turn to any other section in the test.**

As people become more knowledgeable and experienced, they eventually realize that complete equity and justice—whether in politics, in education, or in day-to-day events—will never really be achieved. Even so, they are encouraged to continue to hope for and fight for fairness. But shouldn't people put their energies to better use? There will always be unfairness in life, and becoming an adult means finding ways to make the best of this fact.

Assignment: Should people accept unfairness and find ways to make the best of it? Plan and write an essay in which you develop your point of view on this issue. Support your position with reasoning and examples taken from your reading, studies, experience, or observations.

Think carefully about the issue presented in the following excerpt and the assignment below.

No amount of wealth can help humanity move forward and make progress, even under the management of the most dedicated and socially conscious workers. Money only leads to selfishness and becomes an irresistible temptation to its owners to abuse it. The only thing that can lead people to praiseworthy ideas and noble deeds is to follow the example of great individuals who put other factors before money.

Adapted from Albert Einstein in Alice Calaprice, *The New Quotable Einstein*

Assignment: Does money lead to selfishness? Plan and write an essay in which you develop your point of view on this issue. Support your position with reasoning and examples taken from your reading, studies, experience, or observations.
