# SAT 真题回忆

## 完整版

## 语法

本次语法考试重复的是 2013 年 11 月的亚太卷。存在一定难度，但是难度没有超过今年 5 月的语法部分。

语法部分考察到的考点有：

### IS 部分（整体难度中等）：

易错题：

- 1、平行原则：UK' s flag combined the red cross from the English flag and the diagonal white cross from the Scottish flag.
- 2、比较对象一致：his suits and dresses fit better than those of his competitors.
- 3、虚拟语气：Were schools to teach certain foreign languages,...(表示对将来的虚拟)。
- 4、虚拟语气：Music teachers advise that, when learning to play a musical instrument, you practice playing scales and simple tunes before progressing to more advanced pieces.(you 要做 learning 的主语，advise 后接宾语从句，用 should+动词原形)

### IE 部分（整体难度中等）：

易错题：

- 1、As well as 和 also 重复
- 2、形容词副词误用：amicable 改成 amicably
- 3、固定搭配：be responsive to (把 of 改成 to)
- 4、人称一致：把 one 改成 you
- 5、比较对象一致：cognitive abilities of birds may not be advanced as (those of) chimpanzees
- 6、主谓一致：Organic food, including fruits and vegetables, are(改成 is) grown...
