
托福写作语法错误（得二流分数）

托福写作是以作文的整体水平判分，而不纠结于小细节。但有些同学往往会在语言方面疏漏多多，那样即便你的思路和论证属于一流，最多也只能得个二流分数。

为您整理托福写作考试中的 4 个语法错误，希望大家能规避这些错误。

1. 用词不当

原：The absence of groupwork is a disaster for teenagers in modern society.

改：The absence of teamwork is a disaster for teenagers in modern society.

评：groupwork 是“分组”或者“小组集体任务”的意思。这位同学原本想说 teamwork “团队合作”，却用了个看起来很像，但实际完全不同的词，表达出来的意思就风马牛不相及了。

原：You will be dangerous if you keep moving without a clear view of the whole picture.

改：You will be in danger if you keep moving without a clear view of the whole picture.

评：dangerous 表示所修饰的对象是“带来危险的，有危险性的”，而 be in danger 才是“身处险境”的意思。到底谁才是威胁呢？

原：Firstly, the job, providing the opportunity for students to utilize what they learned in class, might affect their further development.

改：Firstly, the job, providing the opportunity for students to utilize what they learned in class, might affect their further development.

评：模样长得像，意思可不同了。这里想用动词 affect 表示“影响”，却误写为名词 effect “效果”，一字千里啊！

2. 搭配错误

原：Nowadays, people are crazy pursuing to be excellent.

改：Nowadays, people are crazy about excellence.

评：这位同学显然记错了 be crazy about sth. 这个用法，写出来的句子自然会出问题啦。

原：Besides, public speech can effectively increase your communication skills, which facilitate your salesman career.

改：Besides, public speech can effectively improve your communication skills, which facilitate your salesman career.

评：此处是一个明显的动宾搭配错误。“提高……技巧”应该是 improve the skills, 而不是 increase the skills.

3.词性错位

原：I will forget my sad and pressure from the work and the study.

改：I will forget my sadness and pressure from work and study.

评：sad 是形容词，而这里明显需要一个名词，应该是 sadness。

原：Although making money is a priority for most people, spending time with the family is equal significant.

改：..., spending time with the family is equally significant.

评：形容词 significant 前需要用副词来修饰，所以 equal 应该改成 equally。

4. 时态混乱

原：Although I have no work experience when I was a teenager, I always dreamed about having a job.

改：Although I had no work experience when I was a teenager, I always dreamed about having a job.

评：过去时的句子中冒出了现在时，同学你太粗心了，要仔细检查哦~

原：I would explain my view in the following paragraphs.

改：I'd like to explain... / I will explain...

评：可能是两种说法记混了吧，结果把时态搞错了……

以上就是导致你的托福写作得到二流分数的一些语法错误根源，希望对大家备考托福写作起到警示作用。
