**综合口语：****131214 NA Hot!**

S3 Reading part :There always a week's Orientation for freshman of university. One person suggest: go camping, in order to know each other better.

Listening part :

1. Orientation's aim is to know more about school's facility, bulidings services like computer lab. But camping have nothing to do with this.
2. Camping's equipment is very expensive, it's a waste to use it for a month and put it in store for a year

S4 Reading part:

Animals group have two kinds: closed (don't accept others) and permeable (welcoming the others). Permeable group is better because new members bring new knowledge.

Listening part: chimpanzee is a good example, they leave home since they grow up, join into a new group. And all are friendly easy to live. Bring new knowledge, different chimpanzee live in different place before. One champanzee perhaps use sticks to get eggs from nest. Others watching him while he is doing this, and they learn that too.

S6 Employees used to work at the company, while a new method of working is to work at home and communicate by telephone.two advantage:

1. The company saved the expense of office and other facilities.example of the reader's sister, 25 percent employee work at home saved half a million dollars.
2. The fee of training employees is expensive. When an employee moved away. If allow them to work at home, it's a good method to keep them work for the company and save the time and fees of hiring new ones. Example of her sister too. Her sister's family move away, and they don't want to lose the job. And was permitted to work at home and communicate by telephone. Both good to company and herself.
