

## 托福独立写作常考题目：科技和环保类

托福写作是中国考生除了口语之外的第二大弱项，其中语法、用词以及逻辑思维是写作的问题所在，只有在日常生活中多读些范文，了解托福写作中满分作文的逻辑思维，从哪方面考虑问题，句型难度，才可更好的进行锻炼。

Do you agree or disagree with the following statement: although the scientific technologies would still make progress, those advancements influencing people's life quality have no needs to improve.

Do you agree or disagree with the following statement: Many countries are paying attention to environmental problems. But the attention is not making the environmental situations better.

Do you agree or disagree the following statement? The rapid growth cities today's should have a positive effect of the development of the society.

Do you agree or disagree with the following statement? Because the world is changing so quickly, people now are less happy and less satisfied than people in the past.
