问:

What impact has the recent news about Beijing Olympics boycotting had on you?

战略先不管 3 七 2+1 从话题引起入手，然后率先考虑的话题点尽量和改变做事方式、文化、朋友、

(个人或国家乃至世界的)发展、等好说的话题进行连接，以不变应万变。

答：

When it comes to talking about “Beijing Olympics boycotting”, I have to say there are many I want

to tell you about. Beijing Olympics must and will succeed.

The Olympic Games is one of most important games in the world. It changes the way that people

view the cities and even the countries. Maybe that’s why it had so great an impact on the development of the cities in which they were held.

Not only do the Olympics provide a new look for the countries, but they give people all around the

world the chance to learn more about other cultures as well. When the OG are held in the western

world, people learn about some different ideas there. Similarly, East provides people its typical

foods, sports and the special way of life.

But why do some leaders boycott Beijing Olympics. There are some different ideas, but China is

one of the fastest developing countries in the world, which makes some of the others admire or

even become jealous of her success. But one answer is for sure: they don’t want a strong China

appearing in the world.

大家在托福口语练习中，需要根据自己的情况来使用上述的句子，口语和写作中都不应为了显示自

己的水平而刻意用语法复杂的句子，这样的话表达出来很牵强，反而得不偿失。
